Relocation of the National Department of Health

Kindly note that the National Department of Health will be relocating from its current premises at Civitas Building to a new building at 1112 Voortrekker Road, Pretoria as from 1 March 2021.

This relocation was necessitated by the occupational health and safety compliance concerns and maintenance challenges experienced at the Civitas Building.

The National Department of Health is committed to continuous service provision to the public as well as uninterrupted financial and other processes during the relocation process.

More information on logistical aspects of the relocation will be made public in the lead-up to the 1 March 2021 relocation date.
